Job Vacancy Announcement

Job Title:	Firefighter	Location:	Johnston Atoll
Reports To:	Frank Hall	Job Posting #:	JI-19-03
Posting Period:	09/04/03 To: until filled	Status Type:	Regular/Full-Time
Post:	Internally/Externally		

SUMMARY OF RESPONSIBILITIES:

Performs fire-fighting duties utilizing structural and crash rescue vehicles and equipment to include rescue, hazardous material responses and emergency first aid. Drives, positions, and properly operates equipment relevant to fire fighting. When operating a crash truck, maneuvers vehicle to keep the fire in optimum range while ensuring that backflash will not occur. Uses a variety of special protective gear in situations where poisonous gases, radioactive materials, and hazardous biological products are involved. Maintains a constant awareness of water levels, pressures, and gages, and warns hand line and rescue person when tanks are close to running dry. Performs daily preventive maintenance and inspection of vehicles and equipment. Incumbent shall be fully aware and comply with all work related occupational safety, health and environmental issues.

MINIMUM QUALIFICATIONS:

Incumbent must possess *High School* Diploma, and two years experience as a member of a paid fire department. Required to maintain professional qualification and training. All fire fighters shall be cross-trained in structural/crash fire rescue tactical procedures/responsibilities and provide support as required during crash fire rescue or structural emergencies. Fire fighting personnel shall meet professional qualifications outlined in NFPA 102/3 at the time of employment.

Must meet NFPA standard 1582, 1992 edition. Candidates must be medically evaluated and certified by a physician to show that no category "A" medical conditions exist.

Must be U.S. Airforce trained and certified, HAZMAT operations certified, and be Airport Firefighter certified by an IFSAC approved training facility. USAF DoD certified preferred.

WORKING CONDITIONS:

Required to work on small, remote island in vicinity of chemical demilitarization facility. May be required to work using and/or wear protective equipment. Must be able to acknowledge and respond to flashing lights and sirens. Must be able to lift up to 50 pounds. Position will end on December 26, 2003 at the latest.

SALARY LEVEL: Min: \$16.62/hr + \$2.56 Federal Government SCA Match
